Standard Operating Procedures: Employee Leave Manual

1. Purpose & General Guidelines

Welcome to the Acme Corp Employee Leave Manual. This document outlines the standard rules, guidelines, and parameters governing leave policies for all full-time employees operating in Indian locations. The objective is to ensure structured, balanced PTO (Paid Time Off) tracking and compliance with regional labor laws.

All leaves must be planned in advance where possible and applied for via the online Employee Self-Service (ESS) Portal. Unauthorized absence or failure to register leave requests might lead to a loss of pay and potential disciplinary review.

2. Annual Sick Leave & Earned Leave Allotments

Every employee is credited with a set number of Sick Leaves (SL) and Earned Leaves (EL) at the start of each calendar year. These leaves are designed to safeguard your health and provide rest and recuperation time.

Earned Leaves (EL): Full-time employees are allotted 18 Earned Leaves per year, accrued monthly at a rate of 1.5 leaves per month. Earned leaves can be accumulated up to a maximum limit of 45 days. Any accruals beyond 45 days will lapse automatically.

Sick Leaves (SL): Employees receive 12 Sick Leaves annually. For medical absences extending beyond 3 consecutive days, a valid medical certificate signed by a registered medical practitioner must be uploaded to the ESS Portal upon returning to work.

3. Casual Leave & Carry Forward Rules

Casual Leaves (CL) are intended for short-term, personal, or urgent domestic requirements. Employees are allotted 12 Casual Leaves per year, allocated on a pro-rata basis for new joiners.

Carry Forward Limit: Under the standard company benefits scheme, employees are permitted to carry forward a maximum of 15 unused casual leaves into the next calendar year. Any additional remaining leaves beyond this limit will automatically expire.

Please note that Casual Leaves cannot be combined with Earned Leaves unless explicitly approved by the local HR representative under exceptional personal emergencies. Casual leaves cannot be encashed at the time of separation.

4. Maternity, Paternity, and Bereavement Policies

Acme Corp is committed to supporting employees through major life events. We offer progressive family support leaves structured as follows:

Maternity Leave: Female employees are eligible for 26 weeks of fully paid Maternity Leave in accordance with the Maternity Benefit Amendment Act. This can be availed up to 8 weeks prior to the expected date of delivery.

Paternity Leave: Male employees are entitled to 10 consecutive business days of fully paid Paternity Leave. This leave must be utilized within 6 months of the child's birth date, after which the leaves will lapse.

Bereavement Leave: In the unfortunate event of a demise in the immediate family, employees are entitled to 5 consecutive days of fully paid compassionate bereavement leave. Immediate family includes parents, spouse, siblings, and children.
